Apologies:	

1. Meeting held by Zoom. Brief update on position with events.
2. Agreed to invite Dan to next meeting and see if there is anything he needs help with.
3. Dee Mile date is set, just waiting for go ahead from Council.
4. Deva Divas is practically sold out.
5. City Baths – appears to be on target to re-open, no news to the contrary at the moment.
6. KC raised point about DBS checks. Charlie hasn't had through further information from BTF for DBS checks. Need that information to get the communication out to coaches.
