1. Introduction from LJ outlining the Agenda
2. CP gave an overall summary of the various section reports. Full details available in Reports attachment attached to this doc.
3. HO gave a summary of the financial situation. No concerns expressed and it was put forward that we should keep the membership fee at £25. Motion was passed unanimously by the attendees. SN raised the point that the Deva Divas had not lost money whereas the finance report indicated it had. HO explained that the financial year Nov to Oct can create anomalies. It was noted.
4. Election of officers. Only 1 person was nominated for each role and as a consequence Charlie Price elected Captain, Jonny Girvan elected V Captain and Ian Ainscough elected Treasurer. No nominees for the vacant Secretary position.
5. Coach training funds availability – several new coaches this year. The matter of new coaches committing to supporting our training sessions is monitored by IM but relies on goodwill. How to ensure this was discussed and all points noted.
6. Volunteering at our events is an ongoing problem. Various suggestions made to improve this situation were noted.
7. It was mentioned that there may be lottery funding available to support run costs. CP to investigate further.
8. IA disclosed we have 347 members of which there are 64 juniors. Numbers have been stable for the past 12 months. The question was asked are we able to monitor how many members actively participate in sessions and volunteer. These figures are not available but it was agreed to investigate if it is possible.
9. SE suggested we change the AGM quorum requirements wording so that future AGM's have the necessary numbers present. CP will follow this up.
10. CP thanked all attendees and closed the meeting.
